I . Program Introduction

1. General Information

(1) Brief Introduction

Starting from 2008, **Academic Education Programs** sponsored by the Ministry of Commerce of People's Republic of China is designed to foster high-end business officials and managerial personnel for developing countries, offering one-year and two-year master programs as well as three-year doctoral programs for the purpose of educating high-end and inter-disciplinary talent working in the applied fields of government, trade, foreign affairs, agriculture, technology, education, culture and health, building intellectual capacity and facilitating the economic and social development of the recipient countries. These programs mainly offer assistance to working governmental officials, research fellows, and senior managerial personnel on their master and doctor education in China, which are fully conducted in English. Admission requirements include a bachelor's degree, relevant working experiences, and decent physical conditions, essential for the high-compact curriculum needed for the degrees.

Since September 2015, Wuhan University has undertaken the Master Program in International Law and Chinese Law. Over 120 students have been admitted to the program, of which 90 students graduate. This program is designed for non- Chinese citizens. The purpose is to educate application-oriented foreign affairs talents who has a broad international horizon, good legal professional ethics, a systematic mastery of International Law and Chinese Law and use English proficiently as a working language to offer legal service to foreign enterprises in China, overseas Sino-foreign joint ventures, state departments, enterprises and public institutions and foreign law firms. The program is playing a more and more important role in stimulating economic cooperation between China and students' home countries, which the host governments are attaching great attention to this program.

As for the positive effects and good results brought by these programs in strengthening economic ties and friendship between China and the recipient countries, the Ministry of Commerce of People's Republic of China will continuously intensify its efforts in enlarging the enrollment scale and improving the quality of education. We believe that by attending the program and achieving the degree, the outstanding young people of all countries will become leaders in the field of law, and make a friendship bridge between your countries and China.

(2) Objects

Our prospective students are mid-to-senior level officials or managers from the government, the media, NGOs, and other public sectors, who have demonstrated superior performance, both academically and in their work. By the time of matriculation, each must have obtained an undergraduate bachelor's degree.

(3) Achievement

The program is to, in advanced theory and application, prepare professional and versatile talents who can be independently engaged in research and teaching of International Law, master the basics of law systematically and expertise of International Law and Chinese Law deeply and comprehensively and specialize in some fields of International Law.

(4) Admission Plan

In 2022, we have planned to enroll up to **25 students** in our master program, for Intentional Law and Chinese Law major. Study period is two years. The teaching language is English.

(5) Financial Aid

Ministry of Commerce of the People's Republic of China will provide "Chinese Government Scholarships" to admitted students from developing countries. These scholarships cover tuition, management, basic living expenses and round-trip international airfares for the students, etc. The Scholarship coverage and criteria are as follows:

- a. Exemption from tuition fees, teaching material fees, research and investigation fees, English teaching subsidy, graduation thesis guidance fees.
- b. Free accommodation inside campus.
- c. living expenses, 36000RMB/year/person for the master program.
- d. A one-off settlement allowance of 3000RMB/person.
- e. Comprehensive medical insurance which is purchased by the university for students.
- f. Round-trip international airfare. It covers one round-trip international airfare and one round-trip international airfares for home visits for the students of 2-year schooling length.
- g. The Scholarship qualification will be evaluated annually, and those students who meet the standards of achievement assessment will continue to receive a full scholarship the following year.
- h. Other expenses shall be administered and used by the Ministry of Commerce or the university, and shall not be distributed to the students. The Ministry of Commerce only provides students with financial support within the schooling year, which is stated in the admission notice, and students will not receive further funding for deferment.

2. University Introduction

(1) About Wuhan University

Wuhan University (WHU) is a comprehensive and key national university directly under the administration of the Ministry of Education. It is one of the "211 Project" and "985 Project" universities with full support in the construction and development from the central and local government of China, while it is also one of the first batch of "double-first-class" construction of universities. It is located in Wuhan, the capital of Hubei Province. The university features spectacular natural surroundings with the scenic Luojia Hill in it and the beautiful East Lake by its side. The University dates back to Ziqiang Institute, which was founded in 1893 by Zhang Zhidong, governor of Hubei and Hunan Provinces in late Qing Dynasty after the Qing Government approved his memorial to the throne. Later, its name changed for several times before it was named National Wuhan University in July 1928. By the end of 1946, the university had six colleges, i.e., the colleges of liberal arts, law, sciences, engineering, agriculture and medicine. Wuhan University had a glorious innovative tradition and enjoyed a very high academic prestige.

With the approval of the State Council of China, new Wuhan University was founded on August 2nd, 2000 with amalgamation of four first-rate universities original Wuhan University, Wuhan University of Hydraulic and Electrical Engineering, Wuhan Technical University of Surveying and Mapping, and Hubei Medical University. At present, Wuhan University has 34 schools in 6 faculties, including 5 National Key first-rate disciplines, 17 National Key second-rate disciplines, 6 National Key Disciplines, it covers 12 areas, namely philosophy, Economics, Law, Education, Literature, History, Sciences, Engineering, Agriculture, Medicine, Management and Art, with 123 bachelor degree programs, 58 master degree programs and 47 doctoral degree programs for first-rate discipline. There are 38

programs fully delivered in English.

The University now has more than 50,000 students, including over 26,000 graduates and around 2000 international students. The teaching staff consists of more than 3,700 teachers, including 2,900 or so professors and associate professors, 8 academicians of Chinese Academy of Sciences, 6 academicians of the Chinese Academy of Engineering, 3 academicians of the international Eurasian Academy of Sciences, 7 well-known senior scholars of arts and social sciences, 22 lead scientists of the National 973 Project, 6 domain experts of the National 863 Project, 4 national creation and research teams, 65 gainers of the National Excellent Young Scientists Fund and 15 nationally outstanding teachers.

There are numbers of large well-equipped teaching buildings, laboratories, gymnasiums, sports grounds, swimming pools, archive buildings and a specimen building. It has 4 state-level key laboratories, 2 national research centers of engineering, 7 national research centers for humanities and social sciences, 10 national bases for basic science talent development, 1 national education base for cultural development of university students.

During the last ten years, the university has established relations of academic cooperation and exchanges with over 415 universities, colleges and scientific research institutions in more than 45 countries and regions.

(2) Law School of Wuhan University

Wuhan University legal science has a long history which can be traced back to Hubei Legal School established in 1908. After the Revolution of 1911, the School renamed to Hubei Public Law School. In 1926, Wuchang Sun Yat-Sen University was founded and finally it was reorganized to Wuhan National University in 1928, and the Law School is always one of the important departments. At that time, a large number of famous jurists such as Yan Shutang, Wang Shijie, Pi Zongshi, Zhou Gengsheng, Mei Ru'ao successively worked here, the Law School enjoyed its reputation at home and abroad. After the recovery of Law Faculty in 1979 and the establishment of Law School in 1986, several famous jurists successively served as the dean of Law Faculty and Law School, such as the famous jurist Professor Han Depei, the famous penologist Professor Ma Kechang, the well-known civil and commercial law expert Professor Ma Junju, the well-known international law expert Professor Yu Jinsong and Professor Zeng Lingliang, and the current dean is the well-known economic law expert Professor Feng Guo. After more than 40 years' reconversion and development, the Law School has become a national center of legal education and research in China.

(3) Campus Environment

Wuhan University is located in Wuhan, the capital of Hubei Province. It has four distinct seasons in mid-latitudes zone. The average annual temperature of Wuhan is 17.1°C, among which the highest average temperature is 29.3°C in July and the lowest is 3°C in January. Wuhan is in the middle of P. R. China with convenient transportation and reasonable price level, and it is also one of the ideal livable cities in China. Wuhan University features spectacular natural surroundings with the scenic Luojia Hill in it and the beautiful East Lake by its side. It is known as one of the most beautiful universities in China. It has convenient living conditions with high-level facilities. A variety of sports stadiums, libraries, supermarkets, banks, school clinics and other supporting facilities are fully equipped to meet the daily learning and living needs of students. The canteens in each division of the university offer high quality diet to more than fifty thousand teachers and students, and

special Muslims' dishes are offered too. In the Faculty of Humanities and Science of Wuhan University, there are standard single rooms in foreign students' dormitories. Those rooms are equipped with air-conditioners, showers, washrooms and shared kitchens. An entrance guard system is installed in the dormitory buildings. Students can enter or leave the building by swiping their student cards. Cable internet and Wifi are available on campus.

Staff structure: Teachers are mainly composed by professors and associate professors from Institute of International Law of Wuhan University who have background of studying abroad and excellent English skills.

(2) Teaching Methods

Course instruction is the main method, and international law courses will adopt lectures, workshops

and other methods, emphasize on case teaching and encourage students to actively participate in classroom teaching. Assessment methods of compulsory courses include examination and appraisal. Appraisal is aimed to supervise and urge students to participate in course learning actively and focuses on testing students' ability and method of using their existing theory and background knowledge to analyze, judge and resolve practical problems, and its forms may be versatile. Examination can adopt book-close examination and thesis or other forms, testing students' abilities to understand and use their learned theoretical knowledge systematically and their abilities to conduct independent research. Both methods are chosen by teachers.
